

Intensive Course in Soft Tissue and Bone Pathology
VALIS Hotel - Agria, May 19-21, 2024
Draft Program

| | | | | |
|-------------------------------|---------------------------|---------------------------------|------------------------|---|
| Sunday 19 May, 2024 | 12:00-14:00 | Transportation from the airport | | |
| | | Welcome to Valis Hotel | | |
| | 14:00-16:20 | Registrations | | |
| | 16:20-16:30 | Opening | | |
| | 16:30-17:00 | BONE | Judith Bovée | Differential diagnosis of benign cartilaginous tumors |
| | 17:00-17:30 | BONE | Judith Bovée | Differential diagnosis of malignant cartilaginous tumors |
| | 17:30-18:00 | BONE | Judith Bovée | The use of molecular diagnostics in bone tumor diagnosis |
| | 18:00-18:30 | SOFT TISSUES | Judith Bovée | Differential diagnosis of round cell sarcomas |
| | 18:30-19:00 | Coffee break | | |
| | 19:00-19:30 | BONE | Yong-Koo Park | Practical Pathologic diagnosis of Bone Tumors. Imaging - Pathology Correlation |
| | 19:30-20:00 | BONE | Yong-Koo Park | Surface lesions of the bone and Mimics |
| | 20:00-20:30 | PAGET'S DISEASE | Yong-Koo Park | Paget's disease of Bone - Part I |
| | 20:30-21:00 | PAGET'S DISEASE | Yong-Koo Park | Paget's disease of Bone - Part II |
| | 21:00-22:00 | Dinner | | |
| Monday 20 May, 2024 | 6:50 -7:00 | Pick-up Breakfast in a Box | | |
| | 7:00-14:00 | Excursion to Meteora - optional | | |
| | 14:00-15:00 | Lunch | | |
| | 15:00-16:00 | Free Time | | |
| | 16:00-16:30 | SOFT TISSUE | Ivan A Chebib | Metastasis, Myeloma and Lymphoma |
| | 16:30-17:00 | SOFT TISSUE | Ivan A Chebib | Introduction to WHO/IARC/IAC Reporting System for Soft Tissue Cytopathology |
| | 17:00-17:30 | SOFT TISSUE | Ivan A Chebib | Approach to Soft Tissue Cytopathology, Part 1 |
| | 17:30-18:00 | SOFT TISSUE | Ivan A Chebib | Approach to Soft Tissue Cytopathology, Part 2 |
| | 18:00-18:30 | Coffee break | | |
| | 18:30-19:00 | BONE | Andrew E Rosenberg | Osteoblasts and Osteoclasts in Health and Disease |
| | 19:00-19:30 | BONE | Andrew E Rosenberg | The Morphologic and Genetic Diversity of Endothelial Tumors of the Skeleton |
| | 19:30-20:00 | BONE | Andrew E Rosenberg | Diagnostic Problems in Bone Forming Tumors: An Algorithmic Approach |
| | 20:00-20:30 | BONE | Andrew E Rosenberg | Advances in the Diagnosis of Osteoclast Rich Tumors of Bone |
| | 20:30-21:00 | Free Time | | |
| 21:00-22:00 | Dinner | | | |
| Tuesday 21 May, 2024 | 7:30-8:30 | Breakfast | | |
| | 8:30-9:00 | SOFT TISSUES | Jason L Hornick | Subclassification of pleomorphic sarcomas: How and why should we care? |
| | 9:00-9:30 | SOFT TISSUES | Jason L Hornick | Spindle cell tumors of deep soft tissue: Differential diagnosis and novel markers |
| | 9:30-10:00 | SOFT TISSUES | Jason L Hornick | Beyond dermatofibroma: What's new in cutaneous mesenchymal tumors? |
| | 10:00-10:30 | SOFT TISSUES | Jason L Hornick | Gastrointestinal mesenchymal tumors (other than GIST) |
| | 10:30-11:00 | Coffee break | | |
| | 11:00-11:30 | SOFT TISSUES | Andrew L Folpe | Pitfalls in the Diagnosis of Well-differentiated liposarcoma |
| | 11:30-12:00 | SOFT TISSUES | Andrew L Folpe | Angiosarcoma and its Mimic |
| | 12:00-12:30 | SOFT TISSUES | Andrew L Folpe | Tumors of Skeletal Muscle: Rhabdomyosarcoma and Beyond |
| | 12:30-13:00 | SOFT TISSUES | Andrew L Folpe | Selected Aspects of Peripheral Nerve Sheath Tumor Pathology |
| | 13:00-14:00 | Lunch | | |
| | 14:00-15:00 | Free Time | | |
| | 15:00-15:30 | BONE | G Petur Nielsen | Approach to bone tumors |
| | 15:30-16:00 | BONE | G Petur Nielsen | Notochordal cell tumors |
| 16:00-16:30 | BONE | G Petur Nielsen | Cystic lesions of bone | |
| 16:30-17:00 | SOFT TISSUES | G Petur Nielsen | Synovial tumors | |
| 17:00-17:30 | Coffee break | | | |
| 17:30-19:30 | POST COURSE SLIDE SEMINAR | George Agrogiannis | PANNEL DISCUSSION | |
| 19:30-19:35 | Closing remarks | | | |
| 19:35-21:00 | Free Time | | | |
| 21:00-22:00 | Dinner | | | |
| Wednesday 22 May, 2024 | 7:30-8:30 | Breakfast | | |
| | 7:00-11:00 | Transportation to the airport | | |
| | 12:00 | Latest Check-out | | |
